IPEC 2017
International Petroleum Environmental Conference

October 30 – November 1, 2017
San Antonio, Texas, USA
Hyatt Regency Hotel on the River Walk
123 Losoya Street | San Antonio, Texas

Environmental Issues and Solutions in Exploration, Production, Refining & Distribution of Petroleum

www.cese.utulsa.edu/ipec-conference • 918.631.3088
The **International Petroleum Environmental Conference (IPEC)** will bring together professionals involved in developing and implementing technology to address and resolve E&P environmental problems, and to share best practices and information regarding advances in emerging technology.

### BENEFITS OF ATTENDING IPEC:

- **F-2-F Networking:** Establish new business contacts, visit with colleagues, share information, and form collaborations.
- **Gain insight into issues affecting the oil and gas industry worldwide.**
- **Hear first-hand what leading professionals have to say on important environmental issues and what solutions work for them.**
- **Technical sessions give you up-to-date information on new technologies, solutions, and regulations.**
- **The industry exhibits showcase what’s new in research, products and services.**
- **The knowledge gained by attending will help you make better decisions for your company.**
- **Provides a forum to discuss various aspects of current oil and gas environmental issues.**

### WHO ATTENDS IPEC:

- **Exploration and Production Companies**
- **Health, Safety, Environmental Specialists and Engineers**
- **Oil Service Companies**
- **Compliance Officers**
- **HSSE Managers & Directors**
- **Landmen**
- **Environmental Professionals & Consultants**
- **Oil and Gas Attorneys**
